EDUCATION

MutMuthayammal Engineering College

B.E. Mechanical Engineering - 2026

CGPA : 7.5

Govt. Hr. Sec. School

Higher Secondary Education (2022)
percentage : 51.8%

Govt. Hr. Sec. School

Secondary School Education
percentage : 55.6%

SKILLS

- AutoCAD
- SolidWorks
- GD&T
- Manufacturing
- Production
- Quality
- Asssembly

SOFT SKILLS

- Problem-Solving
- Teamwork
- Adaptability
- Communication

LANGUAGE

English and Tamil

SUMMARY

Motivated Mechanical Engineering graduate skilled in AutoCAD, SolidWorks, and Python, with knowledge of mechanical design, manufacturing, and hands-on project development. Seeking to contribute technical and problem-solving skills to a dynamic engineering team.

PROJECTS

Mechanical Four-Finger Claw with Camera (2024)

- Designed and fabricated a four-finger claw capable of gripping objects of different shapes with precision and stability.
- Integrated a real-time camera system for remote operation.
- Developed a manual open-close mechanism using linkages and control levers.

IoT-Based Environment Control System (2025)

- Developed an IoT-based system to monitor temperature, humidity, and air quality using sensors and microcontrollers.
- Integrated cloud-based data logging and alerts for remote monitoring.
- Implemented Python, Embedded C, and MQTT/HTTP protocols for system communication.

Solar-Powered Water Pumping System (2026)

- Designed and fabricated a solar-powered water pumping system for sustainable irrigation.
- Performed component selection, fabrication, and testing of the pump, support frame, and piping.
- Evaluated pump efficiency, flow rate, and power consumption to develop a low-cost irrigation solution.

CERTIFICATES

- Innovation by Design - NPTL - 2024
- Laser Based Manufacturing - NPTL - 2024
- Inspection and quality control in manufacturing - NPTL -2025
- Innovation Business and Entrepreneurship -NPTL -2025
